

Errata: *Victory for the ACT® Test, 13th Edition*

The Cambridge Victory publications involve the collaborative effort of skilled test preparation writers, experienced educators, and trained editors to produce a product that effectively prepares students for test day. We work hard to create accurate, error-free materials, but occasionally we make mistakes. Please see the corrections below and notify your students of these changes when you present this item in class:

Page	For	Read
214, Student Text	#78	78. What was the percent decrease in the number of fires from 2005 to 2006? F. 10% G. 25% H. 50% J. 82% K. 90%
669, Student Text	Science Lesson, #52-57	52. B 53. F 54. D 55. J 56. C 57. J
773-774, Teacher's Guide	Science Lesson, #52-57	Note that answer choice lettering does not match student text.
