

REA Study Tutoring Program

Out of almost 100 tutoring providers, Cambridge had the highest attendance and lowest drop-out rate at Chicago Public Schools (13,000 students) for over 5 years as determined by an independent Research Evaluation Accountability study.

Cambridge was rated #1 overall

based on reading scores, math scores, attendance rate, drop-out rate, and combined math/verbal scores.

In a 5-year summative evaluation the Research, Evaluation and Accountability (REA) division of CPS conducted a Summative Evaluation of Supplemental Educational Services providers. Cambridge was ranked #1 overall* for highest reading scores, highest math scores, highest attendance rate, lowest drop-out rate, and highest combined math and verbal scores.

*#1 Overall ranking determined by Cambridge using composite of weighted average of individual rankings
